Main article: Zou . Autolinee Zoua! In the VAR bus in the routine Toulon Var Var Località Type AutoCarstranstransport School Entry in service September 2018 Property Provence-Alpes-Côte d'Azur Zou.marurelionsUsud.fr Slogan à. "So simple and so south! A speed is, ÀÀ »Maximum 100 Reti Zou Networks. Regional Express Lines, Rise Mistral, Transportation in Dracene, Agglibus CavÀ © M Edit. List of Zoua Autocar Lines! Var from the old Varlib network. History varlib is the transport service by bus of the Department of the Department Var. The entry into force of the law that bears the new territorial organization of the Republic causes 1 September 2017 the transition from the organization of this service for the PACA region [1], [2]. This network, which extends into the eight territories of the Var links most of the municipalities of over 2,000 inhabitants. Launched in September 2009, the project was co-financed by Var General Council, the Paca Regional Council, the French State and the Fund European development. Regional (ERDF) of the European Union. It is based in particular on the route stations of Toulon, Draguignan, Saint-RaphaÀ «L« L and Saint-Tropez and about twenty companies of transport of public and private buses - à €
