Investing is related to savings because © ita's where you save money, as in a bank that is insured so that you are sure to get the money back if anything happened. There are safe investments: the largest is the promise of how much money youà ¢ ll make an investment, the biggest investment risk is. People have lost all their money, their homes, their savings, everything, making bad investment choices. Doña ± a t get attracted to a get-get-rich quick. Furthermore, when you invest, you are paying the money to someone else. They can use the money for things that wouldnâ ¢ t approve as a Christian. Think about how your money will be used. Just make money shouldna ¢ Be your highest goal. There are also different types of investments in terms of what you ¢ ll is your money. There are a lot of decisions to take. Yours Investments probably should put your money in a savings account at your parent's bank. Now a bit of giving. You can also be thoughtful about how you come. Some things may seem fantastic, like organizations that help children with cancer, but then if you close them, discover that most of the money from advertising for the organization instead of children's families. Give a lot of fun. The Bible says God loves a cheerful donor. It should make you happy to give a lot of money. If God puts that in your heart (and it's not a feeling of guilt), then personally I encourage you to give a lot of money guides in the coming years, so let them help you make these great decisions.
