This guide offers suggestions and strategies to quickly earn money in sims freeplay. Your sims can earn money with a job, gardening and cooking. Below are suggestions and tricks for each of these activities. Build the stadium. The athlete's work is the highest payment work at its higher level, for lower quantity of work. Build promotions. Buy the soccer ball and have athletes sims play with it to be promoted more quickly at the highest salary. Send your sims to work before going to sleep. When you wake up, they will all be finished and you will have money to spend. Gardening gardening is the most profitable activity for Sims outside of work. If you have time, bell towers' peppers are the most profitable in terms of both money earned and XP. If you're just looking for money, lettuce will earn you as much money per hour. Tomatoes, lettuce, spinach, strawberries and aubergines can produce plants to eat sim. Don't worry: your sim will not be eaten! Sim simulation plants will delay you just because you will have to negotiate with them before they went. The grain is one of the best crops that will earn a good amount of money and XP per hour. You don't have to check your sims frequently like carrots or peppers for bell towers, and you can plant without fear of possible sims of sims that sprout. Beans are the best and safest cutout to grow while you are sleeping or work. Complete the "money grows on the" Quest "trees (unlocked at level 7) to grow the SIMOLEON buds occasionally. Planting one allows you to play a Minijsoc Slot Machine to earn money. Baked cooking is less profitable than gardening, but earns more XP. The most expensive stoves do not diminish cooking time. Strangely, cooking does not count for the kitchen hobby. Other ways to earn money inspired sims earn more money and XP. To inspire your SIMs, make sure their needs are met. The sims earn more money and XP when they are at home. More buildings have your city, more money and XP you can pick up on the city map. You can watch ads to earn money, xp, lp and sp. Touch your active activities at the bottom left and check the upper left corner to see if one is available. Pets occasionally shots money, XP and LP. (If you wait until level 12, a lost puppy will appear in the park to request to start searching "A Odyssey puppy".) The fishing hobby occasionally causes an event in which a fish eats your SIM! Touch the screen to save them - and you could get extra money, XP or LP. If you build the car dealer, you can buy cars for your sims. When you go for a disc, the musical symbols will appear above the machine. Touch these for extra money, XP and LP. If you build the competition center, you can have sims compete to win money, xp and lp. The Master Hobbies to get the most out of these daily events! Every time I want to see a cheat, an add opens ... I completely out of the app ... I get back in ... and the same thing happens. I honestly believe that the tricks are intelligent and I would like I've ever thought of them, but then you look at the adds and you don't even need x    s so you can x from them! I mean, who does it! It is so irritating than the add pop-ups every few seconds! I almost canceled the application, but the only reason I didn't was because the tricks are good. That    s The reason why I evaluated this 3-star application. I said a wow, own wowa. You should probably update this because the time one doesn't work anymore. Maybe make a new app scam? I turned my time forward and each of the work they had long tasks was at the same point. (Really annoying) so ya. Barfing makeup was a beautiful add on, thank you for this. But ya plz update! Or make new SimsFreeplay app tricks! Thanks! All the tricks on here do not work, but one. The unique work I saw was doing your vomiting sim. Marcus you need to stop fooling people, learn how you write because you have typed wrong things about the game, and get a life !!! Honestly, this only wants time and storage. This has enough token of my time anyway. And saying I think that on one of the tricks is not good because you don't know. He also doesn't know why he didn't do free play sim !!!
