 You're a hot young guy who gets his strength and skills from his sensei's sexy wife. You like her a lot and you keep staring at her. During one of the training sessions, the two kidnapped two women. You try to save your beloved sensei by going through various adventures. Defeat all evil emperors and other enemies and bring your sensei home. Some bugs can be found while playing, don't worry, ignore them. 36.5K 62% 13 Ren'py
 Another great game from NLT Media that caused an epidemic of lust, then Nadia's Treasure, and now we will see another great game that will keep us entertained with great updates for over a year. Some characters will seem familiar, but there will also be many new faces. Take on the role of a young detective who is looking for money and meeting sexy women. As you progress through the game, the story becomes something big and mysterious. 11f. 83% Featured by 2K RPG Developers
 You've heard of the 3D family of simulators, but have you played the sweetest and cutest yet? Family Simulator takes family animated porn to the extreme. You will never play a 3D erotic game again. Make sure your heart is healthy enough to beat in this twisted world of hot sisters and stepmothers. 2k 100%
 You lived with your parents in another city. You have now moved in with your sister and started a new life. You're a shy guy who doesn't know how to talk to girls. Besides, you don't have many friends. Your sister is across the street and she works a lot. Soon you will meet a woman who will become your friend. The story will continue and there will be a mix of genres (trans, gay, etc.). 12f. 70% 410 Gay HTML
 This game features fetish themes and images such as futanari, monsters, tentacles and more. You play as Minx. She grew up in an orphanage in Fremde. On the same day Minx is kicked out of the orphanage on the streets of Fain, she receives a mysterious letter naming her sole heir to the Twilight Estate. Explore the property and get to know everyone you meet. 60k 73% 10 Shemales Ren'py
 This game is made with humor and you will laugh while watching this story. Put yourself in the shoes of a young man who studies and has a girlfriend. Sometimes he has to deal with problems caused by others around him. You are surrounded by 4 women, take your chance and better teach the girls how to be best friends. 3m 83% 395 Ren'py
 It is an RPG game whose main character is goblin. You have to go to the city of Krumwejel to take revenge on the evil baron that killed your people. Develop your territory so that goblins can live in the future. Meet women to create a harem in them. As you progress, new missions and access to other tools await you. The more you move in the game, the easier it will be to enter other parts of the city. 57.7K 66% 41% RPG MAKER, who has already achieved great things in his career, but who is still struggling to establish serious relationships despite the fact that he has many girls in his life. Now he's ready to focus on his love life, but can he just follow a girl or build a big harem? All these girls also have their own feelings, so try to have a good relationship with them. 196.1 thousand 79% 23% recommended Ren'Py plans a meeting with them and fuck them all!
