This End User License Agreement (hereinafter Agreement) is a legal agreement between you, or, if it represents a legal entity, such legal entity (hereinafter the User) and Type-Together (hereinafter TT), and is applicable to the Software of character which is accompanied by this Agreement or which you have ordered online. By downloading the Software character or opening the package, you agree to be bound by the terms of this Agreement. If you do not accept the terms of this Agreement, do not download, install or use the Font Software. If you have purchased a License to use the Font Software in a sealed retail package and do not accept the terms of this Agreement, return it unopened to the place of purchase. 1. The User is bound by the Agreement and acknowledges that the use (as defined in this way) of the Character Software (as defined in this way) provided by TT is regulated by the Agreement. 2. "Font Software" means encoded software that generates type drawings when used with the appropriate software and software plus any and all other data, including documentation provided with such software. 3. "Licensed Unit" means an installation of the Font software that allows up to five (5) users simultaneously and any amount of output devices to use in a single geographical location. A single geographical location is in particular the site of your workplace. The geographical restriction does not apply to laptops if they are owned by you. If you need to use the font software from more than 5 users, you need to buy a license extension. 4. "Commercial product" means a product (e.g. electronic document, soft- or hardware) that is distributed to third parties with the intention of (i) obtaining financial consideration or other and/or (iii) raising awareness of its company or institution, products and services order to get more business. 5. This non-exclusive license allows you to use the font software in an authorized drive for your own personal or internal business in accordance with the provisions of this Agreement. You have no rights in the Font Software other than those expressly stated in the Agreement. You agree that TT owns all rights, title and interest in the Font Software, its structure, organization, code and related files, including all proprietary rights contained therein such as copyright, design and trademark rights. You agree that the Font Software, its structure, organization, code and related files are the property of TT and that any intentional use of the Font Software not expressly permitted by the Agreement constitutes theft of valuable property. All rights not expressly granted in the Agreement are expressly reserved to TT. You are not permitted to use the Font Software to electronically distribute a Trade Document without a separate license from TT authorizing you to do so. 6. You may make backup copies of Font Software only for archiving purposes, provided you retain sole custody and control over such copies. 7. It is possible to take a digitized copy of the Font Software used in a particular document to a commercial printer or service office for the production of that particular document (this document can be modified by the printer or service office). If you use the Font Software for other purposes, the printer or service office must purchase its own licenses for the Font Software. 8. It is possible to incorporate the Font Software into documents as a rasterized representation of the Font Software (e.g. a GIF or JPEG) or as a subset of the Font Software, as long as the document is distributed in a secure format that is not a Commercial Product. An additional license from TT or its Distributors is required to incorporate the Font Software into a Commercial Product. 9. You can adapt, modify, alter, translate, and install the Software font in another format for use in other environments, provided that: A computer on which the converted Software font is used or installed is considered as one of the Computer allowed number. The use of the character software you have converted must comply with all the terms and conditions of this Agreement. These converted character software can only be used for your internal activity or usual personal use and man cannot be distributed or transferred for any reason. Many do not change or remove the name or names of the character software, the author's signature, copyright and brand notes from the original files. 10. The character software cannot be installed or used on a server that can be accessible via the internet or other external network system (a system other than a LAN) by work stations that are not part of a unit License. 11. Except as granted in 6. to 7, it is not possible to copy the font software or allow third parties to copy the font software. Each copy of the font software must contain the same copyright, brands and other proprietary information as the originals. 12. Recognize that the font software is protected by copyright and other laws of US intellectual property and its various states, by copyright and design laws of other nations, and international treaties. All copyright, trademarks and other rights belong exclusively to TT, except as expressly provided for in 5. The property of the font software is not acquired under this Agreement. The structure, organization and code of the font software are TT trade secrets, and we agree to treat them as such. You agree to treat the font software as you would make any other copyrighted material, like a book. It is not possible to copy the font software, except as expressly provided here. Copies that are expressly authorized to make pursuant to the agreement must contain the same copyright, trademarks and other property warnings that appear on Font or in software. You agree not to create Derivative Works from Font Software or any part of it. You also agree not to use Font software in connection with software and/or hardware that create Works of such character software. 13. You cannot rent, rent, sublicense, give, lend or distribute the character software further, parts of it or any copy, except as expressly provided here. You can transfer all your rights to use the character software on another person or legal entity provided that (i) the cessumee accepts and agrees to be bound by all terms and conditions of the agreement, (ii) you destroy all copies of the Software font, including all copies stored in the memory of a hardware device and that (iii) you notify to the transfer by sending the online form located on www.typestogether.com. Without limiting the generality of the foregoing, you agree not to distribute or spread all or part of the font software through any online service. 14. Limited warranty. For a period of 90 (90) days after delivery, TT guarantees that the font software will perform in accordance with its documentation. To make a warranty request, you must return the character software to the location from which you obtained it along with a copy of the sales receipt within that 90 (90) day. The entire responsibility and cumulative and cumulative remedy are limited to repayment of the license fee you paid to TT to get the delivery of the font software. Neither the warranty nor technical support shall not apply to any user-generated or modified font software. 15. Disclaimer of guarantees. TT does not guarantee the performance or results you can get using the character software. The defeatist affirms the only and exclusive remedies for the violation of TTA's warranty. Except for the previous limited warranty, TT does not represent or warranties, expressed or implied, on the non-compliance third party rights, marketability or fitness for any particular purpose. Under no circumstances will he be liable to you or anyone else (s) for any consequential, incidental or Damage, included without limiting lost profits, lost data, lost business opportunities, or lost savings, even if TT has been recommended audace adele is a typical trademark.
